

Effective Pest Control service procurement

How to source your pest control provider

BPCA suggests a model effective pest control service procurement template to help organisations understand the process involved. BPCA can help you with your planning (points 1-4), contact technical@bpca.org.uk

The most effective method to ensure protection and compliance is to introduce a maintenance cycle programme, with regular, targeted activity undertaken by a BPCA member.

BE PROTECTED. PROFESSIONALLY.

British Pest Control Association is the premier trade association for professional pest management companies in the UK.

By choosing an audited BPCA member you can be assured that the services you receive are from a trained and trusted company that meets our strict membership criteria.

Our member companies meet or exceed all legal and 'due diligence' requirements and comply with the most current legislation.

No other trade body gives you this security.

Make sure you stay safe.

Select a BPCA Member every time.
